21.2. In the event that the dispute, controversy or claim has not been resolved by negotiation within 3 (three) months of receipt of the notice from one party of the existence of such dispute, controversy or claim, either Party may request that the dispute, controversy or claim is resolved by conciliation by one conciliator in accordance with the UNCITRAL Conciliation Rules of 1980. Article 16 of the UNCITRAL Conciliation Rules does not apply.

Internationally accepted general principles of law shall be deemed to include the UNIDROIT Principles of International Commercial Contracts. Dispute resolution shall be pursued confidentially by both Parties. This Article survives the expiration or termination of the present Agreement.

22. Use of IOM Name

The use of the official logo and name of IOM may not be used by the Contractor without the prior written approval of IOM.

23. Status of IOM

Nothing in this Agreement affects the privileges and immunities enjoyed by IOM as an intergovernmental organization.

24. No Waiver Clause

IOM's failure to insist upon a strict performance of any of the terms and conditions of this Agreement shall not be deemed a relinquishment of any right or remedy that IOM may have, nor shall it be construed as a waiver of Contractor's subsequent breach of this Agreement which shall continue to be in full force and effect. No waiver by IOM of any of its rights under this Agreement shall be deemed to have been made unless expressed in writing and signed by IOM.

25. Termination of Agreement

25.1 IOM may, at its option, terminate for convenience any of the work under this Agreement in whole or in part, at any time by 7 (seven) days written notice to Contractor. Such notice shall specify the Completion Rate upon termination as established by Article 6.2 and the effective date of termination. Upon receipt of such notice Contractor shall:

- (a) Immediately discontinue the Works on the date and to the extent specified in the notice and place no further purchase orders or subcontracts for materials, services, or facilities other than as may be required for completion of such portion of the Works that is not terminated;
- (b) Promptly cancel upon terms satisfactory to IOM all purchase orders, subcontracts, rentals, or any other agreement existing for the performance of the terminated work, or assign those agreements as directed by IOM;
- (c) Assist IOM in the maintenance and protection of work in progress, plant, tools, equipment, property and materials acquired by Contractor or furnished by IOM under this Agreement;
- (d) Complete performance of such portion of the Works which are not terminated; and
- (e) Perform other related tasks, which IOM may reasonably instruct, in order to effect the termination of the work.

25.2 Upon termination as per the previous clause, as the sole right and remedy of Contractor, IOM shall pay in accordance with the following:

- (a) The Contract Price corresponding to the Works performed in accordance with this Agreement prior to the date of such notice of termination;
- (b) Costs corresponding to the portion of the Works thereafter performed as specified in such notice of termination, subject to IOM's acceptance of such work;
- (c) Reasonable and documented administrative costs of settling and paying claims arising out of the termination of work under purchase orders or subcontracts, as agreed by IOM; and

- (d) Reasonable costs incurred in demobilization and the disposition of residual material and equipment, as agreed by IOM.

The Contractor shall submit within 7 (seven) calendar days after receipt of notice of termination, a written statement setting forth its proposal for an adjustment to the Contract Price to include only the incurred costs described in this clause. IOM shall review the proposal, and negotiate an equitable adjustment of the Contract Price. Other amounts paid in advance by IOM will be refunded by the Contractor within 7 (seven) days.

25.3 IOM may terminate this Agreement or any of the work under this Agreement at any time by immediate written notice to the Contractor, for causes which include but are not limited to:

- (a) The Contractor's violation of the terms and conditions of this Agreement;
- (b) Contractor's default, failure or refusal to carry out order to remove and replace the unsound, incorrect or defective portion of the Works as per Article 14.5;
- (c) Non-completion of the Works within the time agreed upon or the expiration of extension agreed upon, or delayed progress of the Works as stated in Article 6 or sub-standard work;
- (d) Institution of insolvency or receivership proceedings involving the Contractor;
- (e) If, in the judgment of IOM, the Contractor has engaged in corrupt or fraudulent practices in competing for and/or implementing the Agreement.

The written notice shall specify the Completion Rate as established by Article 6.2 upon termination, the effective date of termination, and any additional tasks that need to be performed including but not limited to those enumerated in Articles 25.1 and 25.2. Such termination shall be without prejudice to IOM's other rights and remedies in this Agreement, in law and in equity. Amounts paid in advance by IOM will be refunded by the Contractor within 7 (seven) days from the date of IOM's request.

25.4 Where IOM terminates this Agreement as per Article 25.3 above, all materials, plant, equipment and works financed under this Agreement shall be deemed to be the property of IOM, and the Contractor shall be liable for all the direct replacement cost incurred to IOM for the completion of the Works. The Contractor shall pay IOM the required amount within 30 (thirty) days from receipt of an invoice from IOM. The direct replacement cost shall be the difference between the remaining amount in Contract Price not paid to the Contractor upon termination including the retention amount (after the settlement of all remaining debts and obligations) and the actual cost spent by IOM for completion of the remainder of the Works plus overhead of 10% (ten per cent) for additional administrative efforts of IOM.

25.5 Upon any termination, the Contractor shall waive any claims for damages including loss of anticipated profits on account thereof.

26. Severability

If any part of this Agreement is found to be invalid or unenforceable, that part will be severed from this Agreement and the remainder of the Agreement shall remain in full force.

This Agreement and its Annexes embody the entire agreement between the Parties and supersedes all prior agreements and understandings, if any, relating to the subject matter of this Agreement.
