

IOM International Organization for Migration

SHORT VACANCY NOTICE

Open to Internal & External Candidates

Position : **Senior Migration Health Nurse**
Organizational Unit : **Health Assessment Programmes**
Duty Station : **Abuja**
IOM Classification : **G7**
Type of Appointment : **Special Short-Term (SST) 6 months with possibility of extension**
SVN No. : **SVN2022.142**
Estimated Start Date : **As soon as possible**
Closing Date : **31 October 2022**

Established in 1951, IOM is a Related Organization of the United Nations, and as the leading UN agency in the field of migration, works closely with governmental, intergovernmental, and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments and migrants.

IOM is committed to a diverse and inclusive work environment. Read more about diversity and inclusion at IOM at www.iom.int/diversity. Applications are welcome from first- and second-tier candidates, particularly qualified female candidates. For all IOM vacancies, applications from qualified and eligible first-tier candidates are considered before those of qualified and eligible second-tier candidates in the selection process.

Context:

Under the overall supervision of the Chief of Mission (CoM) and the direct supervision of the Chief Migration Health Officer, the successful candidate will be responsible for carrying out the following duties and responsibilities in relation to the Migration Health Assessment Centre (MHAC) in Abuja, Nigeria

Core Functions / Responsibilities:

1. Lead daily nursing and administrative activities of the migration health assessment in the Migration Health Assessment Centre (MHAC) to fulfil the technical requirements of the resettlement countries in the areas of:
 - a. Medical examinations;
 - b. Imaging;
 - c. Laboratory testing;
 - d. Vaccinations;
 - e. TB management;
 - f. Treatment and referrals;
 - g. Pre-departure procedures and medical movements;
 - h. Counselling;
 - i. Documentation, certification and information transmission;
 - j. Directly observed treatment/therapy short-course (DOTs);

- k. Fitness-to-travel checks; and,
 - l. Other technical areas as may be required.
2. Supervise all daily nursing and administrative activities, namely:
 - a. Assign tasks to nurses and clerks;
 - b. Monitor pre-examination information sessions, counselling, history, follow up and vital signs taking; verify that nurses and medical clerks enter information into relevant databases in a timely and accurate manner, in accordance to their specific functions; and,
3. Facilitate and monitor implementation of fraud-prevention measures, including testing performed outside of the MHAC.
4. Contribute to the establishment and maintenance of an optimal workflow at the health assessment site by suggesting and implementing improvements to facilitate timeliness of completion of nursing and clerical tasks.
5. Verify that all migrant/refugee identity check mechanisms are well established and followed.
6. Implement quality assurance and quality control measures for nursing and clerical activities; participate in writing SOPs and instructions as well as staff training.
7. Verify that SOP's, checklists and standard universal precautions within MHAC are followed.
8. Check that the MHAC pharmacy, stock, medical kits and emergency kits within the MHAC and for medical escorts if applicable are well maintained according to guidelines and SOP's.
9. Coordinate, follow up and verify procurement for MHAC – including purchase orders, payment requests and invoices.
10. Gather and analyze administrative reports and program updates as necessary; report any inconsistencies or issues to the N+1 (CMHO or chief nurse).
11. Coordinate the planning and execution of mobile missions if applicable.
12. Coordinate, and perform if needed, the medical escort duties when required to ensure migrants receive continued care throughout all phases of migration (before departure, during the journey and at the final destination).
13. Gather and analyze statistical information and share with the Chief Migration Health Nurse or CMHO as per pre-set and agreed upon format.
14. Maintain collaborative relationships with various partners to facilitate the follow up and relevant information sharing. Partners include internal IOM departments, other health providers, panel physicians, Embassies other UN agencies or NGO's and others as applicable.
15. May have responsibility for direct supervision of a designated team.
16. Performing any other related duties that the direct supervisor may assign.
