2. Eligible Bidders

2.1 This Invitation for Bids is open to all Bidders from eligible source countries.

2.2 Bidders should not be associated, or have been associated in the past, directly or indirectly, with a firm or any of its affiliates which have been engaged by IOM to provide consulting services for the preparation of the design, specifications, and other documents to be used for the procurement of the goods to be purchased under this Invitation for Bids.

2.3 Government-owned enterprises in IOM's Mission country Mission may participate only if they are legally and financially autonomous, if they operate under commercial law, and if they are not a beneficiary of IOM.

2.4 Bidders shall not be under a declaration of ineligibility for corrupt, fraudulent and coercive practices issued by IOM in accordance with ITB Clause 3

2.5 Bidders shall not be involved in terrorist act/criminal activities or associated with individuals and/or entities associated with terrorist act/criminal activities. IOM shall reject any Bids put forward by Bidders or where applicable terminate their contract, if it is determined that they have engaged in corrupt, fraudulent, collusive or coercive practices. In pursuance of this policy, IOM:

(a) defines, for the purposes of this provision, the terms set forth below as follows:

(i) “corrupt practice” means the offering, giving, receiving or soliciting directly or indirectly anything of value to influence the action of the Procuring/Contracting Entity in the procurement process or in contract execution;

12.5 Prices quoted by the Bidder shall be fixed during the Bidder's performance of the contract and not subject to variation on any account, unless otherwise specified. A bid submitted with an adjustable price quotation will be treated as non-responsive and will be rejected, pursuant to ITB Clause 25. 15. Documents Establishing Goods' Eligibility and Conformity to Bidding Documents

The Bidder may substitute alternative standards, brand names, and/or catalogue numbers in

its bid, provided that it demonstrates to IOM's satisfaction that the substitutions ensure substantial equivalence to those designated in the Technical Specifications.

16. Period of Validity of Bids

16.1 Bids shall remain valid for the period of *Twelve (12) Months* after the date of bid opening prescribed by IOM, pursuant to ITB Clause 20. A bid valid for a shorter period shall be rejected by IOM as non-responsive.

16.2 In exceptional circumstances, prior to expiry of the bid validity, IOM may request that the bidders extend the period of validity for a specified additional period *usually not more than 60 days*. The request and the bidders' responses shall be made in writing.

16.3 A Bidder may refuse the request without forfeiting the Bid Security. A Bidder agreeing to the request will not be required nor permitted to modify the Bid, but will be required to extend the validity of Bid Security for the period of the extension, and in compliance with Clause 17 in all respects.

17. Bid Security (NOT APPLICABLE)

17.1 Pursuant to ITB Clause 10, the Bidder shall furnish, as part of its bid, a bid security in the amount *[insert required amount of security- usually 2.0 % of the total bid amount or the total budget cost]*.

The bid security shall be denominated in *[insert required currency and forms – usually in currency similar to bid price in the form of bank guarantee callable on demand as prescribed]*.

17.3 Any bid not secured in accordance with ITB Clauses 17.1 will be rejected by IOM as non-responsive, pursuant to ITB Clause 25.

17.5 The successful Bidder's bid security will be discharged upon the Bidder signing the contract, pursuant to ITB Clause 35, and furnishing the performance security, pursuant to ITB Clause 34.

17.6 The bid security may be forfeited:

- (a) if a Bidder withdraws its bid during the period of bid validity specified by the Bidder on the Bid Form; or

If there is a discrepancy between words and figures, the amount in words will prevail.

25.3 IOM may waive any minor informality, nonconformity, in a bid which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.

25.4 Prior to the detailed evaluation, pursuant to ITB Clause 27, IOM will determine the substantial responsiveness of each bid to the bidding documents. For purposes of these Clauses, a substantially responsive bid is one, which conforms to all the terms and conditions of the bidding documents without material deviations. Deviation from, or objection or reservations to critical provisions, such as those concerning Bid Security (ITB Clause 17), Price Schedule (ITB Clause 9) will be deemed to be a material deviation. IOM's determination of a bid's responsiveness is to be based on the contents of the bid itself without recourse to extrinsic evidence.

26. Conversion to Single Currency (if applicable)

29.1 In the absence of pre-qualification, IOM will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is

qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB Clause 14.

29.2 The determination will take into account the Bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB Clause 14, as well as such other information as IOM deems necessary and appropriate.

29.3 Prior to award, IOM shall verify and validate any documents/information submitted and if necessary shall conduct inspection of the Bidder office, plant/warehouse and equipment.

29.4 An affirmative determination will be a pre-requisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's bid, in which event IOM will proceed to the next lowest evaluated bid to make a similar determination of that Bidder's capabilities to perform satisfactorily.

34. Performance Security (NOT APPLICABLE)

34.1 Within five (5) days of the receipt of notification of award from IOM, the successful Bidder shall furnish a performance security equivalent to *[insert amount of security – usually 10% of the Contract Price]* in accordance with the Conditions of Contract, in the form provided in the bidding documents, or in another form acceptable to IOM.

34.2 Failure of the successful Bidder to comply with the requirement of ITB Clause 33 or ITB Clause 34.1 shall constitute sufficient grounds for the annulment of the award and forfeiture of the bid security, in which event IOM may make the award to the next lowest evaluated Bidder or call for new bids.

35. Signing of Contract

35.1 At the same time as IOM notifies the successful Bidder that its bid has been accepted, IOM will send the Bidder the Contract provided in the bidding documents, incorporating all agreements between the parties.
