

INVITATION TO SUBMIT EXPRESSION OF INTEREST FOR INNOVATIVE NEONATE TRANSPORTATION SYSTEM USING ALTERNATIVE ENERGY SOURCES IN LOW-RESOURCE AND HUMANITARIAN.

REOI Reference: EOI-NG30-23- 0961	Country: Nigeria	Date: 06 November 2023
-----------------------------------	------------------	------------------------

The International Organization for Migration (IOM) is an intergovernmental humanitarian organization established in 1951 and is committed to the principle that humane and orderly migration benefits both migrants and society. The International Organization for Migration (IOM) invites interested and eligible vendors to submit Expressions of Interest (EOIs) in respect of provision of the requirements described below. The purpose of the REOI is to identify vendors that wish to participate in a forthcoming solicitation process.

Interested Vendors can find a complete set of REOI documents from UNGM - [Procurement Opportunities \(ungm.org\)](https://ungm.org) or Procurement Opportunities (UN IOM Nigeria Mission Website) - [Procurement | IOM Nigeria](#).

To enable you to submit an EOI, please carefully read the below sections of this REOI.

- Section 1: Instruction to Vendors
- Section 2: Evaluation Criteria
- Section 3: Submission Forms

If you are interested in submitting an EOI, please prepare your Interest in accordance with the requirements and procedure as set out in this REOI and submit on or before 20 November 2023.

We look forward to receiving your proposal.

Approved by:

SECTION 1: INSTRUCTION TO VENDORS

Description	<p>Access to emergency neonatal care is frequently complicated and limited among displaced populations due to competing priorities, insufficient infrastructures for neonatal support, emergency transportation, referral linkage for critically ill and small babies, and generally limited health service provision. Through funding from the Norwegian Government -Innovation Norway, IOM in partnership with the Borno State Ministry of Health is currently implementing the Humanitarian Innovation Project (HIP) that seeks to promote the design and implementation of bold, innovative, and cost-effective neonatal care solutions adapted to local needs, and can be utilized and maintained with locally available resources within the context of the Internally displaced population camps, camp-like settings, and their host communities.</p> <p>Objective: To identify available and potential renewable energy solutions and modification of tricycles (Keke) to optimise its use for the transportation of sick neonates in the community to health care facilities.</p> <p>IOM is seeking one or more private sector companies to partner with in delivering a innovative neonate transportation system using alternative energy sources in low-resource and humanitarian settings with the following description</p> <ul style="list-style-type: none"> • Capacity for dual energy use e.g fossil fuel, solar-powered, electric-powered, etc • Adequate space for at least one passenger (Nurse), a compartment for a transport incubator, and a neonatal first aid box. • Secure covering • The automobile should be able to cover significant distances at a reasonable speed. • Durability: ability to navigate poor road networks and the rough terrain of humanitarian settings. <p>Interested entities can bid for the above description of the neonate transport system. Upon selection, partners will be expected to contribute to the development and pilot the innovative solutions using their expertise, networks, and resources (in-kind and/or financial).</p>
UNSPSC code(s)	42190000 but not limited to specified category
Deadline for the Submission of EOI	20 November 2023, 17.00 Hours. (GMT + 1) If any doubt exists as to the time zone, refer to https://www.timeanddate.com/time/zone/nigeria/lagos
