Each sample that meets the required specification is referred to as (**Acceptable**) with a weight score of (**Acceptable = 1 point**) and any sample that fails to meet requirement or is not submitted is (**Not Acceptable = 0 point**). If a Bidder gains less than 50 points out of the 70 points obtainable, they will not be considered for financial evaluation.

Bids shall be rejected at this stage if it does not achieve the minimum technical qualifying score which is [minimum technical qualifying score, e.g. 70%].

The Financial offer of bidder (s) who passed the qualifying score shall be opened, the lowest Financial Proposal (F1) shall be given a financial score (Sf) of 100 points. The financial scores (Sf) of the other Financial offer shall be computed based on the formula:

$$Sf = 100 \times F1 / F$$

Sf - is the financial score of the Financial Proposal under consideration,

F1 - is the price of the lowest Financial Proposal, and

F - is the price of the Financial Proposal under consideration.

The proposals shall then be ranked according to their combined (Sc) technical (St) and financial (Sf) scores using the weights (T = the weight given to the Technical Proposal = 0.70; F = the weight given to the Financial Proposal = 0.30; T + F = 1)

$$Sc = St \times T\% + Sf \times F\%$$

28.2 Any effort by a Bidder to influence IOM in its decisions on bid evaluation, bid comparison, or contract award may result in the rejection of the Bidder's bid.

## **29. Post-qualification**

29.1 In the absence of pre-qualification, IOM will determine to its satisfaction whether the Bidder that is selected as having submitted the lowest evaluated responsive bid is qualified to perform the contract satisfactorily, in accordance with the criteria listed in ITB Clause 14.

29.2 The determination will take into account the Bidder's financial, technical, and production capabilities. It will be based upon an examination of the documentary evidence of the Bidder's qualifications submitted by the Bidder, pursuant to ITB Clause 14, as well as such other information as IOM deems necessary and appropriate.

29.3 Prior to award, IOM shall verify and validate any documents/information submitted and if necessary shall conduct inspection of the Bidder office, plant/warehouse and equipment.

29.4 An affirmative determination will be a pre-requisite for award of the contract to the Bidder. A negative determination will result in rejection of the Bidder's bid, in which event IOM will proceed to the next lowest evaluated bid to make a similar determination of that Bidder's capabilities to perform satisfactorily.

### **30. Purchaser's Right to Accept any Bid and to Reject any or All Bids**

30.1 IOM reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to contract award, without thereby incurring any liability to the affected Bidder or bidders or any obligation to inform the affected Bidder or bidders of the grounds for IOM's action.

## **F. Award of Contract**

### **31. Award Criteria**
