Unless there are exceptional reasons, the financial negotiations will involve neither the remuneration rates for staff nor other proposed unit rates.

- 12.4 Having selected the Service Provider/ Consulting Firm on the basis of, among other things, an evaluation of proposed key professional staff, IOM expects to negotiate a contract on the basis of the experts named in the proposal. Before contract negotiations, IOM shall require assurances that the experts shall be actually available. IOM will not consider substitutions during contract negotiation unless both parties agree that the undue delay in the selection process makes such substitution unavoidable or for reasons such as death or medical incapacity. If this is not the case and if it is established that staff were referred in their proposal without confirming their availability the Service Provider/ Consulting Firm may be disqualified. Any proposed substitution shall have equivalent or better qualifications and experience than the original candidate.
- 12.5 All agreement in the negotiation will then be incorporated in the description of services and form part of the Contract.

To complete negotiations, IOM and the Service Providers/ Consulting Firms shall initial the agreed Contract. If negotiations fail, IOM shall invite the second ranked Service Provider/ Consulting Firm to negotiate a contract. If negotiations still fail, the IOM shall repeat the process for the next-in-rank Service Providers/ Consulting Firms until the negotiation is successfully completed.
